## Reading's Food Bank

### Food Parcels for those in Need

ReadiFood provide emergency food parcels to people in need in the Greater Reading area.

Parcels are only given by a referral process from local government and other agencies. We are currently giving away over 6,000 parcels per year at a total value of around £70,000.

Support from Springboard has enabled us to keep our delivery van on the road and cover costs of hiring larger vans as and when required.
